A FEW COMMENTS

The 2011 National Matches were fired at the Steve Johnson range - an excellent range and one of the few we have left. The weather was excellent - except for the Hunting Rifle competitors on Monday, who shot in a downpour (everyone else was shooting Air Rifle indoors). Most of the time things went smoothly - no problems in Sporting Rifle; the Megalinks electronic Air Rifle targets performed flawlessly; and the ISSF 3-Position matches gave little trouble. We did have trouble in the ISSF Prone match with targets separating and jamming - not sure if the targets or the Speith boxes were to blame. But in the end we got through it, more or less on time. In the interests of getting these results out quickly I am not going to try to identify new match records - it takes a lot of time and I usually miss some. The results contain the old match records so you should be able to work out any new ones.

See you in Beachburg next year!
