A FEW COMMENTS

The 2015 National Matches were again fired at the Beachburg Gun Club. I regret a medical problem meant that I was not on hand for the match and as a result cannot comment on their new clubhouse and match conditions. I am sure that their shooting facility is still excellent and their members were out in force to work at the match - and I'm sure the ladies did their usual fine job of supplying food and pies; we thank all of them for making the match run smoothly.

A little surprisingly the number of registrations was up this year (92 registered compared to 81 in 2014 - which was an improvement on 2013. And this in spite of the confusion with the PanAm this year. (We had hoped to shoot the match on electronic targets, but there were enough problems that this proved impractical.) Wait till next year.

Note that with the decimal scoring in ISSF Prone and Air Rifle - and with the Finals following the ISSF format the match records in these matches restarted in 2013. And because in Prone the match was changed from three courses to two those match records restarted last year. Only the ISSF 3-Position and Sporting and Hunting Rifle matches followed the old rules.

Because I did not handle the results at the match this year I am working with Steven Spinney's Excel spreadsheets. No problem with that for the results - but they are enough different from my usual results that it is a problem updating the match records quickly. So in the interests of getting these results out promptly they do not show the match records. I will be updating my match record files and if you would like a copy of the update email me at louis.anderson@sympatico.ca.
